This is what you will find:

The screenshot shows a digital interface titled "Daily Routine 1". At the top, it says "Escrito por: jollypix" and "Categoría: Actions". Below this are five buttons: "Relaciona 1", "Relaciona 2", "Relaciona 3", "Llena", and "Dictado". The main area contains ten illustrated activities, each with a label and a speaker icon: "wake up", "get up", "have breakfast", "brush my teeth", "wash my face", "comb my hair", "make the bed", "go to school", and "arrive at school". A "get dressed" activity is also shown with a girl and a chair. Five black arrows point from the text above to the "wake up", "get up", "have breakfast", "Llena", and "arrive at school" elements.

In this link, you have 5 different activities which are graded according to difficulty. Do them in order, ok?

When you finish, you can send me a photograph of your work at my email:
